

Stillwater Pioneer Booster Club

Membership Program

The Booster Club has provided substantial financial assistance for each and every athletic program at Stillwater High School as well as for the Junior High Athletics for many years. Almost half of our revenue is generated from this Membership Program with the remaining half coming from the Pioneer Playday Golf Tournament held in June of each year.

The Pioneer Booster Club's mission is to raise funds for the purchase of durable goods and support of activities that promote PIONEER PRIDE for all of Stillwater Public School's athletic programs. Choose the level of donation below and obtain the passes/tickets for your family. 100% of all donations support athletics. It's as simple as that! GO PIONEERS!
